

K01 / K02 Wireless Desktop Power Hub

Recessed sliding power module with 3 universal AC outlets, 2 USB ports and integrated wireless charging

3 UNIVERSAL AC OUTLETS + 2 USB PORTS

SAND BLACK K02

Unit: mm

PRODUCT SIZE	CUTOUT SIZE
350 x 100 x 50	335 x 68

Integrated tabletop power and charging station

Designed for conference tables, office desks and built-in furniture where AC power, USB charging and wireless charging need to be accessible without permanent desktop clutter.

This datasheet is limited to the K01/K02 product shown in the supplied source. Unstated electrical ratings are marked TBD and are not inferred.

1. Functional Description

K01 and K02 are recessed desktop power hubs with a sliding-cover structure. The module combines three universal-style AC receptacles, two USB charging ports and a dedicated wireless charging area in one integrated tabletop assembly. K01 is the Sand Silver finish and K02 is the Sand Black finish. The supplied webpage identifies the product family as a hidden/sliding desktop outlet and lists a 1.5 m cable for these variants.

2. Product Features

AC power	3 universal-style AC receptacles.
USB charging	2 integrated USB charging ports.
Wireless charging	Integrated wireless charging pad on the sliding top section.
Hidden installation	Recessed body installs into the tabletop for a low-profile appearance.
Sliding cover	The interface can be exposed for use and covered when not required.
Cable	1.5 m cable is listed for K01/K02 on the supplied webpage.
Finish options	K01 - Sand Silver; K02 - Sand Black.

3. Electrical Characteristics

AC input voltage	TBD - not stated in the supplied K01/K02 source.
AC input frequency	TBD.
Maximum AC current / power	TBD.
AC outputs	3 universal-style AC outlets.
USB outputs	2 USB charging ports; exact connector type, voltage and current are TBD.
Wireless charging output	Integrated wireless charging; exact rated power and charging standard are TBD.
Grounding / protection	TBD - confirm grounding method, overcurrent protection and applicable safety certification before production release.

4. Mechanical Specifications

Overall product size	350 x 100 x 50 mm
Table cutout size	335 x 68 mm
Installation type	Recessed / embedded tabletop installation
Top structure	Sliding cover with integrated wireless charging area
K01 finish	Sand Silver
K02 finish	Sand Black
Cable length	1.5 m, as listed on the supplied webpage
Weight	TBD
Housing material	TBD - exact material is not stated in the supplied source.

5. Interfaces

Power receptacles	3 universal-style AC outlets
USB	2 charging ports
Wireless power	1 integrated wireless charging area
External power connection	Pre-wired cable; 1.5 m option listed for K01/K02

6. Typical Applications

Conference tables, executive desks, office workstations, training rooms, collaborative spaces, reception counters, hotel/business-center furniture and other built-in furniture requiring convenient AC power and device charging.

3 UNIVERSAL AC OUTLETS + 2 USB PORTS

SAND SILVER K01

Unit: mm

PRODUCT SIZE	CUTOUT SIZE
350 x 100 x 50	335 x 68

3 UNIVERSAL AC OUTLETS + 2 USB PORTS

SAND BLACK K02

Unit: mm

PRODUCT SIZE	CUTOUT SIZE
350 x 100 x 50	335 x 68

7. Installation Information

Prepare a 335 x 68 mm tabletop opening for the 350 x 100 x 50 mm module. Verify sufficient clearance below the table for the 50 mm body depth, cable routing and any mounting hardware before machining. The final installation must use an electrical configuration appropriate for the destination market.

8. Production-Release Data Required

Before this datasheet is used as a controlled production specification, confirm the rated AC input voltage and frequency, maximum current and total power, outlet standard and grounding arrangement, USB connector type and output voltage/current, wireless charging wattage and standard, internal protection devices, operating temperature, housing material, mounting hardware, product weight, cable/plug specification and applicable UL/ETL/CSA/CE or other regional certifications.

9. Model Summary

K01	3 universal AC outlets + 2 USB ports + wireless charging; Sand Silver; 350 x 100 x 50 mm; cutout 335 x 68 mm; 1.5 m cable listed.
K02	3 universal AC outlets + 2 USB ports + wireless charging; Sand Black; 350 x 100 x 50 mm; cutout 335 x 68 mm; 1.5 m cable listed.
